

Naturally Sweet Plantain Chips

Made from freshly harvested plantains

Plantain chips are a healthy alternative to Potato chips and most snacks.

- They have 40% less fat than regular potato chips.
- Plantain chips offer **more vitamins A and C** compared to potato chips.
 - Vitamins A and C help to keep your skin healthy and benefit your immune system to keep you free of infection.
 - Vitamin A also plays a role in low-light vision.
 - Vitamin C's antioxidant function protects your tissues from damage.
- Plantain chips contain slightly less fat than potato chips
- Our Naturally sweet plantain chips contains no sodium.
- Plantains are a good source of fibre.
- Plantains vitamin B6 content may reduce cardiovascular risk and improve mood

About Bamba Foods

We are a minority owned company located in Columbia, MD. We are Food Founders with a passion to connect quality food with the people who appreciate great craft and attention to details. We believe in using only the freshest, locally sourced ingredients to produce our plantain chips. Our unique recipe and cooking method ensures that our chips are super crispy, savory, and sweet, making them a tasty alternative to traditional potato chips.

We make healthy, carefully produced foods available to people across the country through strong partnerships with select vendors and retailers.

We launched September 2022. As of 03/14/23, we have our products in over 140 Stores and Restaurants and can be purchased online at [Walmart.com](https://www.Walmart.com), [Amazon.com](https://www.Amazon.com) and [BambaFoods.net](https://www.BambaFoods.net)

Our goal is to have our products in all Retail Stores, Schools, Sports Arenas, Convention centres, Hospitals, Airports and Military bases all over the Country.
