About The ShowTime Singers

Founded in January of 2003, The ShowTime Singers is dedicated to staging high quality musical performances for the community at large, enjoying both a cappella and accompanied singing, and providing vocal education through rehearsals and workshops. We specialize in songs that audiences can easily relate to – and perhaps even sing along with – like Broadway tunes and popular standards. Our goal is to express our joy in singing and performing and to have fun in an atmosphere devoid of stress. The ShowTime Singers is a 501(c)(3) nonprofit organization and is a member of the Howard County Arts Council and the Maryland State Arts Council.

The ShowTime Singers proudly supports The Linwood Center, a local program that provides educational, vocational and residential services to children and adults on the autism spectrum

This concert is supported in part by the Maryland State Arts Council (msac.org) and the Howard County Center for the Arts (hocoarts.org)
