

# Welcome Home Basket Donation Drive

Throughout our decades of serving persons experiencing homeless and housing instability in Howard County, we have found that affording the most basic household necessities is often a significant challenge for our clients whose budgets are stretched to the limit.

In efforts to protect the stability of our newly rehoused clients, we started a donation drive! You can have an immediate & tangible impact on households working towards self-sufficiency by donating any of the suggested items below.

## Suggest Household Items:
